

PRINCE GEORGE CHAMBER OF COMMERCE

Luncheon Series

The Prince George Chamber of Commerce is very pleased to welcome:

Calvin Helin

Author of

Dances with Dependency

A practicing lawyer, President of the Native Investment and Trade Association, former Vice President of the National Aboriginal Business Association, and Founding Director of the newly formed B.C. Oil & Gas Association, Calvin Helin carries a message of the importance of Prince George and surrounding areas addressing problems of poverty and disenfranchisement (both urban and remote) through education and aboriginal involvement in the economic development of our region, particularly important given the growth that is occurring in the North, relevant in terms of future workforce and ensuring that we have the resources we need to sustain this growth.

Mr. Helin is gaining attention internationally and has been booked for a number of television appearances in 2008, including a guest appearance on the ***Oprah Winfrey Show***.
